

# Soft Pulls

BENEFITS OF PREQUALIFYING CUSTOMERS IN YOUR REV DIGITAL PLATFORM

Soft pulls provide a quick and inexpensive way to prequalify a consumer for a vehicle without placing a hard inquiry on their credit file. They do not require an SSN or DOB, and they provide dealers with a FICO<sup>®</sup> Score and full credit file so accurate quotes can be made earlier in the sales cycle.

REV Digital dealers receive immediate benefits by adding soft pulls into their process.

- **Accuracy in the monthly payment quotes** provided to the consumer by your digital retailing platform sets the proper expectations which is critical to completing the sale and removing friction in the finance office.
- **The FICO score and FULL CREDIT FILE** you receive from your REV Digital's digital retailing platform is aligned exactly with your Finance Office's preferred Bureau and ScoreCard.
- **There is no impact on a consumer's credit score** when utilizing a soft pull, as no hard inquiry is placed on the file.
- Consumers that are prequalified early in the sales process are **proven to generate a higher lead conversion rate** than those that were not.

## QuickQualify Bundled Pricing

Price for Bundle	TransUnion Trans / Cost Per	Experian Trans / Cost Per	Equifax Trans / Cost Per
